

The New 13-inch Macbook Pro

Precision aluminum unibody enclosure

From one solid piece of aluminum comes a MacBook Pro that's thin and light, beautifully streamlined, and durable.

Breakthrough long lasting battery

Every new 13" MacBook Pro features an advanced built-in battery that lasts up to 7 hours on a single charge.

Advanced graphics and brilliant display

High-performance NVIDIA graphics combine with a vivid LED-backlit display to give you a stunning viewing experience

The world's greenest lineup of notebooks

Highly recyclable and even more energy efficient, the new MacBook Pro family is designed with the environment in mind.
